

The Cray-Crayfish Action Song

Are you ready? Are you set? For a brand new trend!
Cray comes click-clacking down the reef,
Snappy claws and dancing feet,
He shuffles left, then shuffles right,

Wiggle his tail with all his might.
Crays got a dance that we gotta know
Gather round give it a go
Are you ready? Are you set! This is gonna trend!

Do the Cray-Crayfish, snap snap snap,
Turn around and clap clap clap,
Wiggle your tail, then strike a pose,
Tap your fins and touch your toes.
Do the Cray-Crayfish, snap snap snap,
Turn around and clap clap clap,
Move together, safe and kind,
That's the way to move online!

If we video our dance
Everybody needs a chance
To watch and agree if it's fine
To share their cray-crayfish online

Share the post with this condition
Make sure that you have permission
Are you ready? Are you set! This is gonna trend!

Do the Cray-Crayfish, snap snap snap,
Turn around and clap clap clap,
Wiggle your tail, then strike a pose,
Tap your fins and touch your toes.
Do the Cray-Crayfish, snap snap snap,
Turn around and clap clap clap,
Move together, safe and kind,
That's the way to move online!

Claws up high for yeah alright!
Cross them low for keep it out of sight
When we listen to our mates
Everyone is feeling great!

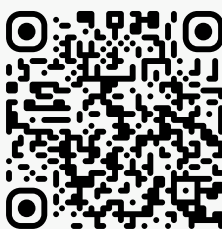

Do the Cray-Crayfish, snap snap snap,
Turn around and clap clap clap,
Wiggle your tail, then strike a pose,
Tap your fins and touch your toes.
Do the Cray-Crayfish, snap snap snap,
Turn around and clap clap clap,
Move together, safe and kind,
That's the Hectors World way online!
