Download and print the entry forms

Use the standardised sheet for students to design their poster or write their poems.

There is also a cover sheet to attach to your entry for the Classroom Display.

Submit your entries

All entries are to be submitted by email to hectorsworld@netsafe.org.nz by 18.00 on 27th September 2024.

Art and Poetry entries should be scanned and emailed (rather than photographed) and accompanied by the relevant cover sheet completed by the teacher.

NOTE

Please ensure each individual entry page has the student name and school information completed, and the corresponding category is marked on the sheet using the footer provided.

Classroom Display entries can be compiled in any format, for example a Word or PowerPoint document, PDF, video or photo collage. The entry should clearly depict the elements of the classroom display and the online safety theme(s) covered.

NOTE

Please ensure your entry email has the Classroom Display cover sheet attached to it, containing all the required information completed by the teacher.

There are no limits on the number of categories a school may enter. For example, individual students may enter both the Art and Poetry categories. Additionally, schools may have individual students enter from a class and then also enter that same class for the Classroom Display category.
